# PERPUSTAKAAN TUN ABDUL RAZAK

OUR DIGITAL SERVICES

Online Public Access Cataloging

UiTM Library OPAC offers guest access for the public to search its collections library. This will limit its function for personalization. However, the current function (holdings) is sufficient for them to search and locate the book.

https://opac.uitm.edu.my/opac/

UiTM Library Mobile App

Download the UiTM Library Mobile App TODAY !!! With the mobile app, you can access information wherever you are and whenever you want to get the latest information in our library, make updates, access e-resources and more!

https://mobileptar.uitm.edu.my/
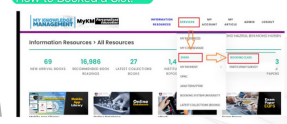

Information Literacy Class

Session will be conducted hands-on for 2-3 hours according to selected modules (face to face or online).
Faculties are encouraged to arrange the session for their students, especially those who are doing literature searches for their research.
The depth and breadth of the content will be justified according to our audience or upon your request.
We will also entertain request from individual or group.

Inter-Library Loan

The publication supply system is a service based on information sharing for libraries in Malaysia. This service allows customers to purchase original materials or obtain copies that are not available in the UiTM Library. Customers who are eligible for this service can apply for materials needed by the library.

Collection for library users to obtain past year examination question papers of the University from all of UiTM's faculties

https://exampaper.uitm.edu.my/ptarep/

Institutional Repository (IR)

Repository that collects, preserve and disseminates scholarly output by university members at Universiti Teknologi MARA (journal articles, book chapters, books, conference papers, theses and other types of research publications). You can also access to full-text documents from UiTM IR through MyKM portal.
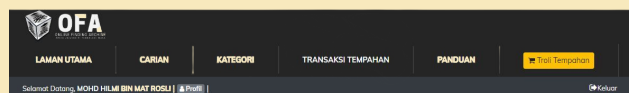

https://ir.uitm.edu.my/

Online Finding Archive (OFA)

Online reference and research services for archival materials and university history.

https://ams.uitm.edu.my/ofa/

Open Access Discovery

Defined as "digital, online, free of charge, and free of most copyright and licensing restrictions." Including the use of liberal licensing is widely recognized in the community as a means to make a work truly open access.
