STEP 1 : GO TO ORCID WEBSITE

The screenshot shows the ORCID website homepage. At the top left is the ORCID logo with the tagline "Connecting research and researchers". To the right of the logo is a yellow button that says "Go to orcid.org". Further right are links for "SIGN IN/REGISTER" and "English" with a dropdown arrow, and a search bar. Below the logo and button is a navigation menu with links: "ABOUT", "FOR RESEARCHERS", "MEMBERSHIP", "DOCUMENTATION", "RESOURCES", and "NEWS & EVENTS". The main content area has a dark green background with a network pattern. It features a large "iD" logo in a green circle, followed by the heading "Distinguish yourself in three easy steps". Below this is a paragraph explaining ORCID's purpose: "ORCID provides a persistent digital identifier (an ORCID iD) that you own and control, and that distinguishes you from every other researcher. You can connect your iD with your professional information — affiliations, grants, publications, peer review, and more. You can use your iD to share your information with other systems, ensuring you get recognition for all your contributions, saving you time and hassle, and reducing the risk of errors." Below the paragraph is a blue button that says "FIND OUT MORE ABOUT OUR MISSION AND VALUES". At the bottom of the main content area are three numbered steps in green circles: "1 REGISTER", "2 USE YOUR ORCID ID", and "3 SHARE YOUR ORCID ID". Each step has a brief description below it: "Get your unique ORCID identifier. It's free and only", "Use your iD, when prompted, in systems and", and "The more information connected to your ORCID".

Visit our [knowledge base](https://support.orcid.org/hc/en-us/requests/new) or contact the support team at <https://support.orcid.org/hc/en-us/requests/new>

The background page shows the ORCID profile header with the ID "0000-0002-0244-...", a "Printable version" link, and a "Verify your primary" button. The left sidebar includes sections for "Emails" (with "norazrina@uitm.edu.my"), "Websites & social links", "Keywords", and "Countries". The main content area has sections for "Employment (0)" and "Education and qualifications (0)", each with an "Add" button and a "Sort" dropdown.

STEP 7 : CHECK AND VERIFY EMAIL ADDRESS

ORCID

Thank you for creating your ORCID identifier. Please verify your email address to complete your registration and gain access to manually edit your record: click the following link and sign into your ORCID record. If you can't click the link, copy and paste it into your browser's address bar.

Verify your email address

<https://orcid.org/verify-email/WWNYU2JxZVVsbFVXTTFQNZzeThVbE9jRElxc09qUIFGSDRCcXRPQTdVUFUyUVRraHZUZNVNmK1R24vRG5oQQ?lang=en>

Your 16-digit ORCID identifier is 0000-0002-2432-6465, and your full ORCID iD and the link to your public record is <https://orcid.org/0000-0002-2432-6465>

Next steps:

**Check your email and
verify your email address**

1. Add more information to your ORCID Record

Access your ORCID record at <https://orcid.org/my-orcid> and add more information to your record. If you haven't already done so, we strongly recommend that you add more than one email address to your account, since our system checks names and email addresses to prevent the creation of duplicate records.

Funders, publishers, universities, and others use the information contained in your ORCID record to help reduce the record-keeping they ask from you. Increase the information you can share by adding other names you are known by, professional information such as your affiliation, biography, and keywords, funding you have received, and works you have created or contributed to your record.

See our tips for six things to do now that you have an ORCID iD. For tips on adding information to your ORCID record see: <https://support.orcid.org/hc/articles/360006896894>

2. Use your ORCID iD when publishing, applying for grants, and more

Many systems ask for your ORCID iD in order to create a link between you and your research outputs and affiliations. Using your ORCID iD, and granting organizations permission to update your record whenever they request this will help you get credit for your work and reduce time spent on future record-keeping.
